FEATURED QUESTION

Q: What is your favorite summer fruit and how do you like to use it?

A: I love to serve strawberries macerated in Cointreau or Grand Marnier with sweetener (agave or maple syrup). Serve them over a dense shortcake with cream cheese frosting. Summer heaven!

- Mashed MFC Strawberries work well in mayonnaise-based salads (such as chicken and turkey), house-made ice cream, cocktails, and punches like sangria.
- Toss whole or halved berries into green salads; spinach and arugula pair especially well with strawberries.
- Mix chopped MFC Strawberries, cubed Ready-Set-Serve® (RSS) Avocado Halves, minced MFC Red Onions, minced jalapeno chile peppers, RSS Cilantro, and RSS Lime Juice; serve with chips.
