FEATURED QUESTION

Q: As the weather warms, green salad sales are on the upswing. What lettuce/dressing combinations do you suggest?

A: My current go-to salad is Roasted Apple Salad with Spicy Maple-Cider Vinaigrette. I use Ready-Set-Serve® (RSS) Spring Mix and fortify it with RSS Wild Arugula and/or Baby Kale to build texture and robust volume, then top with candied pecans, sliced dates, and knobbed goat cheese.

- Try tossing RSS Urban Blend with sliced MFC Strawberries and spicy Sriracha shrimp for an on-trend summer entrée salad.
- Crunchy RSS Chopped Romaine pairs well with fresh summer corn, creamy RSS Avocados, and chopped, hard-boiled eggs.
